

ISDN2024

25th Biennial Meeting of the International Society for Developmental Neuroscience

21–24 September 2024 • Montpellier, France

Submit abstracts
by 24 May 2024

Join us for ISDN 2024: Contributions are invited for talks and posters for an exciting and diverse scientific programme focused on recent advances and future directions in fundamental and applied developmental neuroscience. Prizes will be awarded to the best posters presented by trainees.

Plenary Speakers

Laure Bally-Cuif, *France*
Alain Chédotal, *France*
Orly Reiner, *Israel*
Linda Richards, *USA*

Chairs

Fabrice Ango, *France*
Eric Bellefroid, *Belgium*
Silvia Cappello, *Germany*
Kristian Franze, *UK*
Sonia Garel, *France*
Bassem Hassan, *France*
Baptiste Lacoste, *Canada*
Goichi Miyoshi, *Japan*
Eve Seuntjens, *Belgium*
Vatsala Thirumalai, *India*
Pierre Vanderhaeghen, *Belgium*

Organisers

Scientific Committee

Karine Loulier, *France*
Stefano Stifani - ISDN
Secretary-General, *Canada*
Conference Co-Chairs
Shubha Tole - ISDN President,
India
Pierre Le Prince - ISDN
Treasurer, *Belgium*
Victor Borrell, *Spain*
Fiona Francis, *France*
Carina Hanashima, *Japan*
Franck Polleux, *USA*
Debra Lynn Silver, *USA*
Steven Sloan, *USA*

Symposia and Invited Speakers

Cell type diversity from evo-devo perspectives

Detlev Arendt, *Germany*
Pawel Burkhardt, *Norway*
Maria Fernanda Ceriani, *Argentina*
Eve Seuntjens, *Belgium*
Sonia Sen, *India*

Evolutionary emergence of human-specific features of brain development

Silvia Cappello, *Germany*
Cécile Charrier, *France*
Ryohei Iwata, *Belgium*
Ikuo Suzuki, *Japan*
Li Wang, *USA*

How glial cells shape the brain

Hiyaa Gosh, *India*
Francesca Peri, *Switzerland*
Laurent Nguyen, *Belgium*

Glial pathophysiology and plasticity in neurodevelopment

Enrica Boda, *Italy*
Dolores Irala, *USA*
Baptiste Lacoste, *Canada*
Bo-Eun Yoon, *Korea*

Organoid modelling of CNS development in health & in neurodevelopmental disorders

Benedetta Artegiani, *The Netherlands*
Alexandre Baffet, *France*
Fikri Birey, *USA*
Silvia Velasco, *Australia*

Forces and mechanosensation in the development of the nervous system

Kristian Franze, *UK/Germany*
Naoyuki Inagaki, *Japan*
Takaki Miyata, *Japan*
Medha Pathak, *USA*

Development of the somatosensory system

Simon Desiderio, *Belgium*
Saida Hadjab, *Sweden*
Fernanda Ledda, *Argentina*

Regulation of inhibitory neuron development

Nicoletta Kessar, *UK*
Lynette Lim, *Belgium*
Goichi Miyoshi, *Japan*
Daniel Vogt, *USA*

Temporal and epigenetic control of neural development

Boyan Bonev, *Germany*
Bassem Hassan, *France*
Esther Klingler, *Belgium*
Yan Song, *China*

Development of cerebellum and cerebellar circuitry in neurodevelopmental disorders

Fabrice Ango, *France*
Vatsala Thirumalai, *India*
Peter Tsai, *USA*
Alanna Watt, *Canada*
